B. Participation:

Every competitor that participates in a sanctioned California Rifle & Pistol Association State Championship is eligible to earn CRPA Distinguished Marksmanship Certificates and the CRPA Distinguished Marksmanship Plaque Award that are intended to honor and recognize individuals for Excellence in Competitive Shooting.

C. Common Program Elements:

All CRPA State Championships shall include the following minimum criteria:

1. CRPA Distinguished Marksmanship Certificates shall be awarded based upon aggregate scores in CRPA Sanctioned State Championships only.

 - c. Three (3) CRPA Distinguished Marksmanship Certificates earned in one discipline are required to earn the title of CRPA Distinguished Marksman in that discipline.
 - d. There is no limit to the number of CRPA Distinguished Marksmanship Certificates a competitor may earn per year prior to earning the title of CRPA Distinguished Marksman in a particular discipline; however, no more than two (2) certificates per year per discipline will apply toward earning the title of CRPA Distinguished Marksman in that discipline.

D. Record Keeping:

The CRPA Office shall maintain the CRPA Official Distinguished Marksmanship Records and the master roster of competitors that have earned CRPA Distinguished Marksmanship Certificates and/or have earned the title of CRPA Distinguished Marksman. The CRPA Official Distinguished Marksmanship Records will be generated from the information published in the required and official CRPA State Championship Results Bulletin as provided by the Host Club, after the Results Bulletin has been approved and forwarded to the CRPA Office by the respective Sanctioned Activity Committee Chairperson.

E. Funding:

All CRPA Distinguished Marksmanship Certificates and Distinguished Marksman Plaque Awards will be provided by the CRPA.

F. Awards:
